

Dear Parents/Carers,

Science Week!

We are excited to inform you about a fantastic opportunity to come into school to work alongside your child(ren) once again, this time in their science lesson. You will be able to experience the way that children develop curiosity, awe and wonder in engaging lessons, filled with practical opportunities, challenge and the chance to apply learning to real-life contexts.

See the timetable of the week below and the day/time that you are welcome - we cannot wait to see you all there:

Monday 9 th March 2026	Forest school session - fire lighting: Year 4- 13:00 Year 2- 13:30 Year 3- 14:00 Year 1- 14:30 Admirals parent/carer science showcase at 15:00
Tuesday 10 th March 2026	Sublime Science workshop – all children will have an exciting opportunity to participate in workshops throughout the day. (Small cost payable via Arbor) Forest school session - fire lighting: EYFS 9:30 Year 6 10:00 Year 5 10:30 Monarchs parent/carer science showcase at 15:00 Apollos parent/carer science showcase at 15:00
Thursday 12 th March 2026	11-12 KS2 workshop provided by St Albans Boys School outreach Firetips parent/carer science showcase at 15:00 Emperors parent/carer science showcase at 15:00
Friday 13 th march 2026	Science week poster winners, announced in celebration assembly Hummingbirds parent/carer in science lesson at 15:00 Cardinals parent/carer science showcase at 15:00

As you can see, the week includes several workshops. Most are free, but the workshop provided by Sublime Science, has a small contribution required. This exciting opportunity requires a payment of (£5.40 per child) that should be paid via Arbor. It should be noted that if not enough donations are received then the hands-on experience will be unable to go ahead.

We look forward to seeing you all during our special week.

Kind regards,
Mrs Ralph
