

Margaret Wix Primary School & Nursery

"Respect, Self-Belief, Curiosity, Kindness and Resilience"

1st September 2026

Dear Parents and Carers,

At Margaret Wix Primary School, we firmly believe that the strongest schools are built on positive partnerships between home and school. When parents, carers and staff work together, children benefit from the very best opportunities, experiences and outcomes, and are happier and more successful as a result.

In the past, we have had a Parent/Carer Forum which provided a valuable opportunity for families and school leaders to share ideas, celebrate successes and discuss ways to continue improving our school. We would now like to revitalise the forum and are looking for volunteers who would like to be part of this important group.

Ideally, we would like to have one or two representatives from each class so that the views of families across the school are represented and shared.

The commitment would be approximately one hour every half term, and meetings would provide an open and positive opportunity to work together for the good of all the children in our school community. We are keen to hear a wide range of views, ideas and suggestions as we continue striving to provide the very best education, experiences and opportunities for every child.

Whether you have been involved in the forum previously or would like to get involved for the first time, we would love to hear from you. By working together, we can continue to build a thriving, caring and ambitious school community where every child feels happy, valued and able to flourish.

If you are interested in joining the Parent/Carer Forum, please email head@margaretwix.herts.sch.uk.

Thank you for your continued support of our school. We look forward to working alongside you.

Kind regards,

Mrs Claire Gibbs
Headteacher
