Behaviour for learning

- Our learning powers continue to be at the heart of all that we do at Margaret Wix. They include: resilience, self-belief, curiosity, respect for others and kindness.
- Positive consequences such as house points, postcards home, certificates and Headteacher's awards.
- Consequences ladder – stage 1 verbal reminder, letters sent home to parents/carers for Stage 2 (reminder), Stage 3 (reflection time) and Stage 4 (sent to behaviour lead or fixed term/permanent exclusion). Please support the decisions made by the school, discuss the incident with your child and return the slip to school.
- Copy of the school behaviour policy is available on the school website.
- Children who bring phones to school are required to hand them in to the class teacher when they arrive at school every morning. They will be locked away for the day and can be collected at the end of the school day.
- Support the school's approach to limiting screen time (especially before bed time – leave devices downstairs) and supervising children appropriately when they are using technology (in-line with the guidance we provide for families).
