

# Margaret Wix Primary School

"Excellence, Creativity, Individuality"

Monday 23 January 2023

Dear Parents/Carers

Myself and Miss Sikandari will be talking to the children in Key Stage Two about a new enrichment adventure available for each child. We are delighted to introduce the Young Citizenship Challenge.

At Margaret Wix Primary School, we want to encourage the children to develop independence, motivation and respect and kindness towards others by taking part in a variety of activities and tasks.

Miss Sikandari will be the staff member in school who will help and monitor the activities, creating a scrap book to show the different activities that have taken place as a result of the Young Citizenship Challenge. Towards the end of the summer term, we will invite all of our successful young citizens to an awards evening with snacks, drinks and awards galore!

Please have a look at the booklet that your child will bring home and help them to decide how they can secure success in each of the activities. Miss Sikandari is available for any questions your child might have regarding this exciting new venture. Please do encourage them to get involved!

Exciting times!

Mrs Gibbs and Miss Sikandari
