

SAPSMA Alban Arena 2026

Singin' in the Rain

Doo-dle doo doo doo-dle doo-dle doo doo-dee doo-dle (x 3)

I'm singin' in the rain, just singin' in the rain.
What a glorious feelin', I'm happy again.
I'm laughin' at clouds so dark up above.
The sun's in my heart and I'm ready for love.
Let the stormy clouds chase ev'ryone from the place.
Come on with the rain, I've a smile on my face.
I'll walk down the lane with a happy refrain.
Just singin', singin' in the rain.

Dancin' in the rain, Da de da da dya de dya.
I'm happy again.
I'm singin' and dancin' in the rain.
I'm dancin' and singin' in the rain.

Over the Rainbow

When all the world is a hopeless jumble
And the raindrops tumble all around,
Heaven opens a magic lane.

When all the clouds darken up the sky-way,
There's a rainbow highway to be found,
Leading from your window pane.
To a place behind the sun,
Just a step beyond the rain.

*Somewhere over the rainbow way up high,
There's a land that I heard of once in a lullaby.
Somewhere over the rainbow skies are blue,
And the dreams that you dare to dream really do come true.
Someday I'll wish upon a star and wake up where the clouds are
far behind me.*

*Where troubles melt like lemon drops,
Away, above the chimney tops that's where you'll find me.
Somewhere over the rainbow, bluebirds fly,
Birds fly over the rainbow, why then, oh why can't I? (x2)*

If happy little bluebirds fly beyond the rainbow,
Why oh why can't I?

Let's Face the Music and Dance

There may be trouble ahead,
But while there's moonlight and music and love and romance,
Let's face the music and dance.

Before the fiddlers have fled,
Before they ask us to pay the bill,
And while we still have the chance,
Let's face the music and dance.

Soon we'll be without the moon,
Humming a diff'rent tune and then,
There may be tear-drops to shed.
So while there's moonlight and music and love and romance,
Let's face the music and dance, dance,
Let's face the music and dance. (x2)

Simple Melody

1 Tune - Won't you play a simple melody
Like my mother sang to me
One with good old fashioned harmony
Play a simple melody

2 Bass – Won't you play a simple melody
Just like my mother sang to me, she sang, she sang to me,
One with good old fashioned harmony, why don't you play a
simple melody, a simple melo...
(Last time – a simple rag, oh yeah!)

3 Descant - Musical Demon Set your honey a-dreamin'
Won't you play me some rag
Just change that classical nag To some sweet beautiful drag
If you will play from a copy Of a tune that is choppy
You'll get all my applause
And that is simply because I want to listen to rag
Oh yeah!

You are my Sunshine

The other night dear as I lay sleeping
I dreamed I held you in my arms
When I awoke dear I was mistaken
And I hung my head and cried
*You are my sunshine, my only sunshine
You make me happy when skies are grey
You'll never know dear how much I love you
Please don't take my sunshine away*

I'll always love you and make you happy
If you will only say the same
But if you leave me to love another
You'll regret it all some day
You are my sunshine....

You told me once dear you really loved me
And no one else could come between
But now you've left me and love another
You have shattered all my dreams
You are my sunshine....

We'll Meet Again

Let's say goodbye with a smile dear,
Just for a while dear, we must part,
Don't let the parting upset you,
I'll not forget you sweetheart.

*We'll meet again, don't know where, don't know when,
But I know we'll meet again some sunny day.
Keep smilin' thro' just like you always do
Till the blue skies drive the dark clouds far away.
So will you please say hello to the folks that I know,
Tell them I won't be long
They'll be happy to know that as you saw me go,
I was singing this song.
We'll meet again, don't know where, don't know when,
But I know we'll meet again some sunny day.*

After the rain comes the rainbow,
You'll see the rain go, never fear,
We two can wait for tomorrow,
Goodbye to sorrow my dear.
We'll meet again....

All I have to do is Dream

When I want you in my arms,
When I want you and all your charms
Whenever I want you
All I have to do is dream, dream dream dream.

When I feel blue in the night,
And I need you to hold me tight
Whenever I want you
All I have to do is dream.

I can make you mine, taste your lips of wine,
Anytime, night or day.
Only trouble is, Gee whiz, I'm dreaming my life away!

I need you so, that I could die,
I love you so, and that is why Whenever I want you
All I have to do is dream.

What a Wonderful World

I see trees of green, red roses too,
I see them bloom, for me and you,
And I think to myself What a wonderful world.
I see skies of blue and clouds of white,
The bright blessed day, the dark sacred night,
And I think to myself ...What a wonderful world.

The colours of the rainbow, so pretty in the sky
Are also on the faces of people goin' by,
I see friends shakin' hands, sayin' "How do you do!"
They're really sayin' "I love you".

I hear babies cry, I watch them grow
They'll learn much more than I'll ever know
And I think to myself ...What a wonderful world
Yes, I think to myself ...What a wonderful world.

Yellow Submarine

In the town where I was born lived a man who sailed to sea
And he told us of his life in the land of submarines.

So we sailed on to the sun till we found the sea of green
And we lived beneath the waves in our yellow submarine

*We all live in a yellow submarine,
Yellow submarine, yellow submarine x2*

And our friends are all aboard,
Many more of them live next door
And the band begins to play. Dadadada.... *We all live*

As we live a life of ease, ev'ry one of us has all we need
Sky of blue and sea of green, in our yellow submarine *We all live....*

I'd like to teach the world to sing

I'd like to build the world a home and furnish it with love,
Grow apple trees & honey bees & snow white turtle doves.
I'd like to teach the world to sing in perfect harmony,
I'd like to hold it in my arms and keep it company.
I'd like to see the world for once all standing hand in hand,
And hear them echo through the hills for peace throughout the land.

That's the song I hear, let the world sing today,
A song of peace that echoes on and never goes away.
Put your hand in my hand, let's begin today.

Put your hand in my hand, Help me find the way.
I'd like to teach the world to sing....

Eye of the Tiger

Risin' up, back on the street, Did my time, took my chances.
Went the distance, now I'm back on my feet,
Just a man and his will to survive.
So many times, it happens too fast. You trade your passion for glory.
Don't lose your grip on the dreams of the past.
You must fight just to keep them alive.

*It's the eye of the tiger, it's the thrill of the fight,
Risin' up to the challenge of our rival.
And the last known survivor stalks his prey in the night,
And he's watchin' us all with the eye.....Of the tiger.*

Face to face, out in the heat, Hangin' tough, stayin' hungry.
They stack the odds, still we take to the street
for the kill with the skill to survive
It's the eye of the tiger....

Risin' up, straight to the top. Had the guts, got the glory.
Went the distance, now I'm not gonna stop,
Just a man and his will to survive.
*It's the eye of the tiger....
The eye of the tiger. The eye of the tiger... (fade out)*

Happy

It might seem crazy what I'm 'bout to say.
Sunshine she's here you can take a break.
I'm a hot air balloon that could go to space,
With the air, like I don't care,
And baby by the way.
*Because I'm happy (Brackets are solo group)
(Clap along if you feel like a room without a roof)
Because I'm happy
(Clap along if you feel like happiness is the truth)
Because I'm happy
(Clap along if you know what happiness is to you)
Because I'm happy
(Clap along if you feel like that's what you wanna do).*

Here come bad news talkin' this and that. Yeah!
Well, gimme all ya got, and don't hold back. Yeah!
Well, I should prob'bly warn ya, I'll be just fine. Yeah!

No offense to you, don't waste your time. Here's why!
Because I'm happy....

Happy! (Bring me down, can't nothin')
Happy! (Bring me down, my level's too high!)
Happy! (Bring me down, can't nothin')
Happy! (Bring me down, I said.)

Happy happy happy... *Because I'm happy....*

Reach for the Stars

When the world, leaves you feeling blue
You can count on me, I will be there for you
When it seems, all your hopes and dreams
Are a million miles away, I will re-assure you
We've got to..... all stick together
Good friends, there for each other
Never..... ever forget that I've got you and you've got me, so
*Reach for the stars, Climb every mountain higher
Reach for the stars, Follow your heart's desire
Reach for the stars,
And when that rainbow's shining over you
That's when your dreams will all come true*

There's a place waiting just for you (just for you)
Is a special place where your dreams all come true
Fly away (fly away) swim the ocean blue (swim the ocean blue)
Drive that open road, leave the past behind you
Don't stop..... gotta keep moving
Your hopes,..... gotta keep building
Never ever forget that I've got you and you've got me, so
Reach for the stars,

Don't believe in all that you've been told
The sky's the limit you can reach your goal
No-one knows just what the future holds
There ain't nothing you can't be
There's a whole world at your feet
I said reach
Climb every mountain (reach)
Reach for the moon (reach)
Follow that rainbow
And your dreams will all come true
Reach for the stars,

Colours of the wind

You think you own whatever land you land on
The earth is just a dead thing you can claim
But I know every rock and tree and creature
Has a life, has a spirit, has a name

You think the only people who are people
Are the people who look and think like you
But if you walk the footsteps of a stranger
You'll learn things you never knew you never knew

Have you ever heard the wolf cry to the blue corn moon?
Or asked the grinning bobcat why he grinned?
Can you sing with all the voices of the mountains?
Can you paint with all the colours of the wind?
Can you paint with all the colours of the wind?

Come run the hidden pine trails of the forest
Come taste the sunsweet berries of the earth
Come roll in all the riches all around you
And for once, never wonder what they're worth

The rainstorm and the river are my brothers
The heron and the otter are my friends
And we are all connected to each other
In a circle, in a hoop that never ends

How high does the sycamore grow?
If you cut it down, then you'll never know

And you'll never hear the wolf cry to the blue corn moon
For whether we are white or copper skinned
We need to sing with all the voices of the mountains
We need to paint with all the colours of the wind

You can own the earth and still
All you'll own is earth until
You can paint with all the colours of the wind

For Good

Solo: It well may be that we will never meet again
In this lifetime so let me say before we part
So much of me is made of what I learned from you

CHOIR: You'll be with me like a handprint on my heart
And now whatever way our stories end
I know you have re-written mine by being my friend:

Solo: And just to clear the air
I ask forgiveness
For the things I've done you blame me for

ALL: But then, I guess we know
There's blame to share
And none of it seems to matter anymore
Like a comet pulled from orbit as it passes the sun,
like a stream that meets a boulder
halfway through the wood
Who can say if I've been changed for the better?

Solo: I do believe I have been changed for the better?

CHOIR: And because I knew you:

Solo: Because I knew you:

CHOIR: Because I knew you:
I have been changed...

Solo: for good.

Sing

Some words they can't be spoken only sung
So hear a thousand voices shouting love
There's a place, there's a time in this life
When you sing what you are feeling
Find your feet, stand your ground
Don't you see right now the world is listening to what we
say

Sing it louder, sing it clearer
Knowing everyone will hear you
Make some noise, find your voice tonight

Sing it stronger, sing together
Make this moment last forever,
old and young shouting love tonight

(AUDIENCE To sing we've had a lifetime to wait)
CHOIR wait, wait, wait
(AUDIENCE And see a thousand faces celebrate)
(we have to celebrate)

You brought hope, you brought life
Conquered fear, though it wasn't always easy
Stood your ground, kept your faith
Don't you see right now the world is listening to what we
say

Sing it louder, sing it clearer
Knowing everyone will hear you
Make some noise,
find your voice tonight

Sing it stronger, sing together
Make this moment last forever,
old and young shouting love tonight

Some words they can't be spoken only sung

To hear a thousand voices shouting love...And life...And
hope

(AUDIENCE Just sing.....)

CHOIR Come on and...
Sing it louder, sing it clearer
Knowing everyone will hear you
Make some noise,
find your voice tonight

Sing it stronger, sing together
Make this moment last forever,
old and young shouting love tonight

Hear a thousand voices shouting love
